Single Water Well Drilling: Application for PERMIT In A Study Area

1. Owner\Applicant _____ Phone No(s) _____ Mobile or Office

Mailing Address; C/S/Z _____

Physical Location of property if different than mailing address (½ mi east of Intersection of CR 12 & CR T)

2. Land Surface Owner name and address, if different than well owner _____

(If applicant is other than the owner of the property, provide documentation establishing authority to produce water.)

3. Well Location and Property Description (Survey Map OR Subdivision Plat May be attached)

Total Contiguous Acres _____ County / Counties _____ Quarter(s) _____

Section Number(s) _____ Block(s) _____ Survey(s) Name _____

-OR- Subdivision Name; Block & Lot No: _____

4. Intended Use Domestic ___ Industrial ___ Irrigation ___ Municipal ___ Stock ___ Other ___ (explain) _____

Have water rights been sold? ___ Water Rights Owner _____

5. Metering Meter required on all new wells 3" or larger or producing 35 GPM or greater. Will this location require meter?

_____ YES (Brief on straight run dimension requirement) _____ NO

6. Out of District Water Use:

The amount of water that will be Used or Transported out of District is _____ acre-feet/year.

7. Quantity and Term Requested and Completion Information

A. Actual or anticipated pump size(s) (inches) _____ B. Quantity of requested permit _____ GPM

C Total Production: Acres _____ X 4.5 gpm=_____. Other existing wells and production for these acres

D. Actual/anticipated date commencement or completion _____ E. Term of requested permit _____

F. Drillers Name: _____ Phone No. _____ Fax No. _____

G. Attach a copy of the well log if available

Complete Test Hole Page IF APPLICABLE (No Pumping Authorization)

8. Owner/Applicant: _____ Date: _____

No. of Test Wells _____ For _____ Size of Well(s) _____

County _____ Section _____ Block _____ Survey _____

Test Hole #1: District # _____ : Latitude _____ Longitude _____ Quarter _____

_____ measured yards from (**N** or **S**) property or section line _____ measured yards from (**E** or **W**) property or section line

Location of three (3) closest adjoining wells: Will **Easements be required** from Adjoining Property Owner? ____ YES ____ NO

Well 1 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 2 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 3 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Test Hole #2: District # _____ : Latitude _____ Longitude _____ Quarter _____

_____ measured yards from (**N** or **S**) property or section line _____ measured yards from (**E** or **W**) property or section line

Location of three (3) closest adjoining wells: Will **Easements be required** from Adjoining Property Owner? ____ YES ____ NO

Well 1 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 2 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 3 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Test Hole #3: District # _____ : Latitude _____ Longitude _____ Quarter _____

_____ measured yards from (**N** or **S**) property or section line _____ measured yards from (**E** or **W**) property or section line

Location of three (3) closest adjoining wells: Will **Easements be required** from Adjoining Property Owner? ____ YES ____ NO

Well 1 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 2 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 3 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Test Hole #4: District # _____ : Latitude _____ Longitude _____ Quarter _____

_____ measured yards from (**N** or **S**) property or section line _____ measured yards from (**E** or **W**) property or section line

Location of three (3) closest adjoining wells: Will **Easements be required** from Adjoining Property Owner? ____ YES ____ NO

Well 1 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 2 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Well 3 _____ measured yards from proposed well: Size: _____ Type: _____ Owner: _____

Field Inspector(if spaced by PGCD Staff) _____ Date: _____

9. Proposed Well Location

The location of new well to be drilled is _____ measured yards from (**N** or **S**) property or section line; and _____ measured yards from (**E** or **W**) property or section line.

Will **Easements be required** from Adjoining Property Owner? _____ YES _____ NO

Latitude _____ Longitude _____ Land Surface Elevation : _____
(from TOPO Sheet or GPS Unit)

10. Location and Owners of Adjoining Wells:

Well 1 _____ measured yards from proposed well.	_____
	Size, State Well#, Type & Name of Owner of Well 1
Well 2 _____ measured yards from proposed well.	_____
	Size, State Well#, Type & Name of Owner of Well 2
Well 3 _____ measured yards from proposed well.	_____
	Size, State Well#, Type & Name of Owner of Well 3

11. Attachments to this Application

A. Description of Project. May use attached map or other scaled map to depict the following:

- i. The actual or anticipated location of the existing or proposed production well.
- ii. The actual or anticipated location of the existing or proposed water application or transporting facilities.
- iii. The location of the proposed or increased use(s) and exact boundary of the property.
- iv. The location of the master meter, or like facility, at a location agreed upon by the District.
- v. The location of surrounding wells. Show the location of the three nearest wells. Also list the owners of each of these wells, if not the applicant.

B. If the applicant is other than the owner of the water rights, documentation establishing applicable authority to construct and operate a well for the proposed use; must be attached to this application.

I acknowledge and agree that:

- i. this well will be drilled within ten (10) yards of the location specified by this application and not elsewhere, and that I will equip all wells with a 3" pump size or larger (capable of producing 35 gallons per minute or more); with a properly installed, approved metering device, and furnish the Board of Directors the completed driller's log for this well and for any test holes drilled immediately upon completion of this well and prior to the production of water;
- ii. **I have read and understand the specifications for 3 inch or larger new well configuration per 4.4(c), Panhandle Groundwater District Rules;**
- iii. reasonable diligence will be used to protect groundwater quality, avoid waste, achieve water conservation, and that I will follow well plugging guidelines at the time of well closure and report closure;
- iv. I am submitting an application to drill a groundwater well that is currently located in a Study Area as designated by the Panhandle Groundwater Conservation District under District Rule 15.2; and I am aware that the Study Area may be designated as a Conservation Area in the future under District Rule 15.3, which may result in reductions of the maximum annual production rate for this applied-for well;
- v. I will abide by the Panhandle Groundwater Conservation District's Rules and Management Plan that have been approved under due process according to State and local mandate including, but not limited to, all rules relating to designated Study and Conservation Areas in District Rule 15; and
- vi. I have read the foregoing statements and all data therein contained are true and correct and complies with District Rules.

Signature _____ Date _____
Owner

Printed Name _____ Title _____

Agent Contact Info: (Address, C/S/Z; Office Ph. #; or Mobile Ph. #: _____

I hereby certify that this application has been verified and is administratively complete in accordance with the rules of the District.
